Signature Eyewear's brands get great exposure this month!

HELLO TEAM!

HOT OFF THE PRESS: We are so excited! Our brands were featured this month in the trade magazines—we advertised in both **20/20** & **VCPN**. Remember to check each month, as we have secured the inside back cover of **20/20** for the entire year! Be on the lookout for the ads and be sure to share the news with your accounts! :-)
